

Dear Parents

We're making communication easier, faster and more effective

I'm pleased to advise that we've introduced a new service – School Gateway. This means that we can communicate with parents more quickly and cost effectively via email, text and smartphone app.

Help us save money by downloading the School Gateway app

If you have a smartphone, you can help us save money by downloading the 'School Gateway' app from your app store (Android and iPhone). By doing this we can send you app messages (avoiding the cost of texts) and you can send messages back for FREE.

It's quick and easy to do. All you need is your email address and mobile number that school holds on record for you. If you have trouble logging in, please contact *the school office*.

We're aiming to get 100% of parents using the School Gateway smartphone app and being the first school in the area to do so – please help us achieve this target.

If you do not have a smartphone, you will still receive text messages from the school.

Yours faithfully

Head of Academy
